A chicken walks into a library, goes up to a librarian and says, "Book book book." The librarian decides that the chicken wants a book so he gives the chicken a book and the chicken walks away.

About ten minutes later the chicken comes back with the book, looking a bit agitated, saying, "Book book book."

The librarian decides the chicken wants another book so she takes the old book back and gives the chicken another book.

The chicken walks out the door.

Ten minutes later the chicken comes back again, very agitated, saying, "Book book book!" so quickly it almost sounds like one word.

The chicken puts the book on the librarian's desk and looks up - waiting for another book.

This time the librarian gives the chicken another book and decides that something weird is happening. She follows the chicken out the door and into the park, all the way to the pond.

In the pond is a frog sitting on a lily pad. The chicken gives the book to the frog, who then says, "Reddit, reddit."
