The New World was "discovered" October 12th 1492 when land (most likely San Salvador) was sighted in the Caribbean from the Pinta, one of the three ships that participated in Christopher Columbus's historic voyage.

Halloween or Hallowe'en, also known as Allhalloween, All Hallows' Eve, or All Saints' Eve, is a celebration observed in many countries on 31 October, the eve of the Western Christian feast of All Hallows' Day. It is a holiday celebrated each year on October 31, and Halloween 2020 will occur on Saturday, October 31. The tradition originated with the ancient Celtic festival of Samhain, when people would light bonfires and wear costumes to ward off ghosts.
